

The Manager Companies Company Announcements Office ASX Limited Level 4, Stock Exchange Centre 20 Bridge Street Sydney NSW 2000

HALF YEAR RESULT - 31 DECEMBER 2013

The company recorded a strong 24% increase in revenue to circa \$44 million for the six months to 31 December 2013 as a result of focus on initial penetration into a number of new key retail customers. After tax profit of \$665,000 was slightly ahead of the previous corresponding period.

The company-wide restructure and cost out exercises implemented in the second half of the 2013 financial year resulted in a reduction of operating expenses from 24% of revenue to 20% of revenue for the current reporting period, however margins were negatively impacted predominantly due to the weak Australian dollar.

The significant increase in top line growth has required a greater investment in working capital of approximately \$6 million, funded by an increase in bank borrowings.

In addition to both organic and acquisitive growth, focus for the second half of the current financial year will be on margin improvement and improvements in working capital investment ratios.

Notes to the Financial Statement For the six months ended 31 December 2013

1. Corporate Information

Cellnet Group Limited (the "Company") is a company domiciled in Australia whose shares are publicly traded. The interim condensed consolidated financial statements of the Company as at and for the half-year ended 31 December 2013 comprise the results of the Company and its subsidiaries (together referred to as the "consolidated entity").

The interim condensed consolidated financial statements of the consolidated entity for the six months ended 31 December 2013 were authorised for issue in accordance with a resolution of the directors on 14 February 2014.

The interim condensed consolidated financial statements of the consolidated entity as at and for the half-year ended 31 December 2013 are available upon request from the Company's registered office at 59-61 Qantas Drive, Eagle Farm QLD 4009 or at www.cellnet.com.au.

2. Basis of preparation and changes to the consolidated entity's accounting policies

Basis of preparation

-OF DEFSONA! USE ON!!

The interim condensed consolidated financial statements for the six months ended 31 December 2013 have been prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 30 June 2013.

The accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent as those adopted in the Group's annual report for the year ended 30 June 2013, except for the adoption of new standards and interpretations as of 1 July 2013 as disclosed in the 30 June 2013 financial statements and noted below:

AASB 10 Consolidated Financial Statements

AASB 13 Fair Value Measurement

AASB 119 Employee Benefits

The adoption of the above accounting standards had no material impact on the Group. The Group has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

Change in basis of preparation

During the six months ended 31 December 2013 the Directors have undertaken a review of the presentation of the consolidated entity's financial statements. As part of this review it was noted that the presentation of cost of goods sold, as required when presenting items in the statement of comprehensive income by function, does not provide meaningful information to users of the financial report as the resultant gross profit measure is not a true reflection of the costs involved in the sale process of a distribution business. It is viewed that the presentation of the statement of comprehensive income by nature will provide more relevant information to the users of the financial report. Accordingly, all expenditure items in the consolidated statement of comprehensive income have been reclassified according to their nature in both the current and comparative period.

In addition to the above, the Group has also reclassified the comparative period rebates from cost of sales to revenue, and freight revenue from cost of sales to revenue from the rendering of services.

Notes to the Financial Statement (continued) For the six months ended 31 December 2013

3. Seasonality of operations

The consolidated entity's balance sheet is impacted by seasonality in sales. December trade balances are generally expected to be higher than those as at the previous financial year end due to greater sales activity around calendar year end. Users of the interim consolidated financial report may therefore benefit from reading this report in conjunction with the interim consolidated financial report for the half-year ended 31 December 2012.

4. Operating segment information

-Of personal use only

Identification of reportable segments

The consolidated entity has identified its operating segments based on the internal reports that are reviewed and used by the General Manager (the chief operating decision maker) in assessing performance and in determining the allocation of resources.

The operating segments are identified by management based on the manner in which products are sold, whether direct to a retail customer or via on-line sales. Discrete financial information about each of these operating segments is reported to the General Manager at least on a monthly basis. However, for the six months to 31 December 2013 the consolidated entity's activities relate solely to retail sales as the Board announced on 8 June 2012 that it planned to exit from the online segment. The online segment previously reported was classified as a discontinued operation at 31 December 2012 and is disclosed in note 5.

Notes to the Financial Statement (continued) For the six months ended 31 December 2013

5. Discontinued operation

The company advised on the 8 June 2012 that it planned to exit the on-line business segment.

As at 31 December 2012, the company completed the sale of OYT Pty Ltd and Buyii Pty Ltd for \$95,000 in cash. The net cash flows of \$38,000 generated by the sale are in the Interim consolidated statement of cash flows as part of the cash flows from investing activities.

Results of the discontinued operation for the period are as follows:

This facility consists of four individual facilities, namely forward exchange contract, surrendered bills of lading, trade finance-imports and special documentary import letters of credit. The combined limit of \$5,500,000 applies across these individual facilities. As at 31 December 2013, the company has fully utilised this limit for its trade finance – imports facility. This facility is a perpetual facility and has no fixed expiry date, although individual trade finance draw downs under the facility as at balance date mature on the dates disclosed above. The facility limit has been reduced to \$5,000,000 subsequent to balance date. The facility is secured by a charge over all existing and future assets and undertakings of the Group.

Directors' declaration

In accordance with a resolution of the Directors of Cellnet Group Limited, I state that:

In the opinion of the Directors:

- 1. the financial statements and notes of the consolidated entity for the half year ended 31 December 2013 are in accordance with the *Corporations Act 2001* including:
 - (a) giving a true and fair view of the financial position as at 31 December 2013 and the performance for the half-year ended on that date of the consolidated entity; and
 - (b) complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001; and
- 2. there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of Cellnet Group Limited,

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Cellnet Group Limited, which comprises the consolidated statement of financial position as at 31 December 2013, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the period's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity,* in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2013 and its performance for the half- year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Cellnet Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Notes to the Financial Statement (continued) For the six months ended 31 December 2013

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Cellnet Group Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2013 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
